

INTRODUCTION

First Nursery School (FNS) is a non-denominational Christian preschool, specifically designed to give children a chance to develop socially, emotionally, intellectually, and spiritually. Children are divided into age-grouped classes, working with qualified and loving teachers in each area of the program. They will experience Music, Circle Time, Bible Lessons, Art, daily physical exercise, (outdoor play will be weather-dependent), and Kindergarten Standards and Readiness.

First Nursery School exists to see each child experience the love of Jesus and be transformed by it. As a result of this intentional discipleship, seeds of faith are planted within their families, and our teachers are mutually blessed by their mentorship to these children.

We emphasize social, emotional, and spiritual growth, as well as teaching good manners and values in a safe and secure facility. Our experienced teachers know how to make every child feel loved and accepted. With instruction by different teachers daily, small rotating classes, and a diverse curriculum your child will receive the education they need to make that smooth transition to Kindergarten.

Children must be at least 2 years of age on or before September 1 to be accepted into FNS.

First Nursery School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at First Nursery School. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational and admissions policies.
